Security measures

“Dota2 Cases Simulator” requests certain permissions from Users that allow it to access the User's device Data as summarized here and described within this document. We work hard to protect Personal Data we process from unauthorized access or unauthorized alteration, disclosure or destruction. We minimize the amount of data that “Dota2 Cases Simulator” processes. Note that, we cannot be held responsible for unauthorized or unintended access that is beyond our control, and we make no warranty, express, implied or otherwise, that we will always be able to prevent such access.

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Children's Privacy

This Service does not knowingly process children's information (the phrase "children", "child" shall mean an individual that is under the age defined by applicable law which with respect to the EEA is under the age of 16 and with respect to the US, under the age of 13). Users declare themselves to be adults according to their applicable legislation. Minors may use "Dota2 Cases Simulator" only with the assistance of a parent or guardian.

If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to do necessary actions.

Changes To This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

We will let you know about the change becoming effective via updating the "effective date" at the top of this Privacy Policy.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
